Additional Notes:	

Parties scheduled during store hours are semi-private Parties: (Groups of 4 or more). Unless all spaces (operators) are booked, other customers will be serviced at the same time and therefore will not be private. We can only service up to 4+2 pedicures and 3 manicures at a time at our state street location. Additional guests having pedicure services will be serviced directly after the first group. We will seat your group together depending on the individual services requested. We do not allow food during semi-private parties.

We will charge 20% gratuity for each operator. We will provide a price quote, including tip at the time of booking. A credit card is required to book the party. We require 5 days advance notification of any cancellations or changes in services; unless we are informed of any changes or cancellations before this time, you will be responsible to pay the full price of the original services that were scheduled. If guests are more than 15 minutes late we can not guarantee treatments. We can only service scheduled guests. We require that one person be responsible for payment on the day of the party. We will not charge your credit card until the day of your party. You may use another form of payment to pay for services. We accept Visa, Master Card, AMEX and Cash.
